

A close-up photograph of a snapping turtle resting on a log. The turtle's head is the central focus, showing its textured, scaly skin in shades of brown and green. Its eyes are small and dark, and its mouth is slightly open, revealing a pinkish interior. The background is a blurred log, suggesting a natural, outdoor setting.

Come help us honor one of Cape May County's oldest
and most awesome residents at the First Annual

Snapper Day

Saturday, July 7, 2012

Noon to 3:00 p.m.

Cape May Point State Park

Come learn all about New Jersey's largest freshwater turtle: the fascinating and ancient snapping turtle! Live snapping turtle demonstrations (including the friendly snapping turtle, Spike, pictured above)!

For more information, call (609) 553-5353

Event Admission Fee: \$1

Hosted by Turtlesinger, Inc. (a 501(c)3 Federal Public Charity that educates the public about turtles with live turtles and/or original songs).
